

## Hindsford CE Primary School School Sport Premium Expenditure 2021 - 2022

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer. This means that the premium should be used to:

- Develop or add to the PE and sport activities that your school already offers.
- Build capacity and capability within the school to ensure that improvements made will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- 1) The engagement of all pupils in regular physical activity - The Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- 2) The profile of PE and sport is raised across the school as a tool for whole-school improvement.
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- 4) Broader experience of a range of sports and activities offered to all pupils.
- 5) Increased participation in competitive sport.
